Pollen Street plc (the “Company”)

DIVIDEND DECLARATION

The Directors of Pollen Street plc have declared an interim dividend of 16.00 pence per eligible ordinary share (as set out below) for the three-month period to 31 March 2023.

The dividend will be paid on 30 June 2023 to holders of ordinary shares on the register as of 12 May 2023. Former shareholders of Pollen Street Capital Holdings Limited (“**PSCHL**”), who received ordinary shares as consideration for the Company’s completed acquisition of PSCHL (the “**Combination**”), have waived ordinary dividends payable to them in both 2022 and 2023 on approximately 50.0 per cent. of such consideration shares, pursuant to the terms of the Combination. As a result, the interim dividend will be paid on 49,473,264 ordinary shares. Further information is available in the prospectus dated 26 September 2022, which is available on the Company’s website. The ex-dividend date is 11 May 2023.

The Company has elected to designate all the interim dividend for the period, as an interest distribution to its shareholders. In doing so, the Company is taking advantage of UK tax treatment by “streaming” income from interest-bearing investments into dividends that will be taxed in the hands of shareholders as interest income.

Investors who wish to join the Dividend Reinvestment Plan should complete the Company form which can be found on the Registrar’s website <http://www.computershare.com/uk/individuals/im-a-shareholder/dividend-reinvestment-plan> or telephone 0370 707 1694.

The last date for receipt for elections for the Dividend Reinvestment Plan is 9 June 2023.
